During the fair the Manager will be the executive officer in charge of all exhibit project areas of the fair. He/she will be on the grounds throughout the days of the fair, and will be available to review all complaints and necessary adjustments.

The Manager will have charge of the receiving and recording of all entries, the allotment of display space, the listing of premiums and directions of concessions.

Each superintendent will be in charge of an exhibit project area. Exhibitors and judges will apply to such superintendent for instructions in their department. Once an item has been displayed in any category or class in the fair book, it is ineligible to be shown again, with the exception of antiques, see department 45 for antique rules.

GENERAL RULES FOR LIVESTOCK (Beef, Dairy, Sheep, Swine and Goats)

No animals may compete for more than one prize in any class or division unless by reason of special exception to the rule referred to elsewhere. Animals, birds, or other projects may be entered in only "Open Class" or "4-H" but not both.

Exhibitors participating in the Emmet and Charlevoix County 4-H Program may not show the same species through 4-H in any other country fair during the current year: Any 4-H market animal exhibited cannot have been shown or sold at another county fair during this calendar year. Consequences include all awards/honors/titles may be forfeited or recalled and the exhibitor may NOT participate in said fair the following calendar year.

All three-year-old heifers in several classes as breeding stock shall be required to have borne a calf or show evidence of being with calf previous to the exhibition or the heifer cannot compete.

All livestock shown must be the bona-fide property of the exhibitor at the time of making entry. Forage consisting of hay, and bedding will be supplied. Exhibitors must furnish forks, pails, and grain.

All livestock must be vet checked prior to unloading from trailers and placing into barns.

All animal exhibits will be released between the hours of 7:00 am and 10:00 am the last day of fair only; with the exception of livestock sold through the auction.

4-H Exhibits must be registered by Monday, July 18th. Fair books and registration forms may be picked up at your County MSU Extension office on or before July 1st. In Emmet County, the Extension office is located in the lower level of the Watson Community Resource Building located at 3434 Harbor-Petoskey Rd., Harbor Springs. In Charlevoix County, the office is located at 319 N. Lake St., Boyne City. This information is also available on the fair website www.emmetchxfair.org

4-H exhibitor projects can be brought to the Community Center on Friday, August 19th from 4:00 pm to 7:00 pm or Saturday, August 20th from 9 am to 11 am. This includes all projects and Animal Husbandry record books.

No dogs will be allowed on the midway or near the food vendors. Dogs are allowed on grass areas only, and must be on a leash at all times. Service dogs are exempt, however, must be able to show proof of being a service dog.

MDARD Health Requirements

To exhibit, livestock exhibitors must be in compliance with animal health requirements as defined by the Department of Agriculture Rural Development. The full version of the MDARD Health requirements are located in the fair office, or can be accessed on the department web site at www.michigan.gov/mdafairregs.

Protests (Appeals and Complaints)

An exhibitor compelled to bring a complaint regarding conflict of interest of the judge, disqualification of an exhibit or exhibitor's group leader or superintendent's behavior, or eligibility of an exhibit shall make a formal protest in writing to the Fair Board no later than ten days following the end of fair. No protests will be accepted unless in writing.

All protests shall be referred to the Executive Board, which shall review the protest with interested parties and give parties an opportunity to submit evidence. The party against whom the protest was filed shall have the right to read the statement of protest.

A report of findings shall be made to the Fair Board for final decision on the protest within 10 days of the original complaint. The Fair Board shall issue an opinion within 2 weeks of receiving the recommendations from the Executive Board.

An exhibitor may file an appeal to the Department of Agriculture/Rural Development within 45 days of filing the initial complaint if the exhibitor is not satisfied with the Association's action. The Department of Agriculture/Rural Development shall have 60 days after receipt of any appropriately filed appeal to investigate the complaint, and issue a finding of fact and notice of department action and any recommended actions for the Association.

Exhibitors not satisfied with the awarding of premiums may file with the Manager up to 10 days after the close of the fair and 45 days with MDARD. Their protest must be in writing specifying their cause of complaint. Action on the same will be taken at the first meeting of the Fair Advisory Council when all parties should be present.

Drug Testing Policy and Procedures

The Emmet Charlevoix County Fair reserves the right to drug test any or all livestock entered in the fair if deemed necessary by the Fair Management. The expense for drug testing is the responsibility of the person(s) owning the animal(s) if the test results show proof of improper use of drugs.

The full policy is available in the fair office.

Exhibitors

Every effort has been made to make this year's book as complete as possible. Exhibitors should examine this premium book in order to thoroughly understand the manner in which the fair is conducted, and to prevent mistakes that could occur. Entries are to be made only in classes as listed in the fair premium book. NO SPECIAL CLASSES WILL BE ACCEPTED. Once an item has been displayed in any category or class, it is ineligible to be shown again.

Take no heed of rumors in regard to the business of the fair; read the rules; and if in doubt as to what to do, inquire of those whose business it is to assist you. It is desirable that entries be made in advance of the opening of the fair.

Registration forms are available at the Emmet County MSU Extension Office at 3434 Harbor-Petoskey Road, Harbor Springs, at the Charlevoix County MSU Extension Office, located at 319-B N. Lake Street, Boyne City, the fair website or at the fair office. Any assistance required or instructions on the procedures for making entries will be provided.

The Community Center at the fairgrounds will be open Saturday, August 20th, 12:00 noon to 6:00 pm to accept Open Class entries in exhibit project areas that are non-perishable items. On Sunday, August 21st from 12:00 noon to 6:00 pm, entries will be accepted in all open class departments. No entries will be accepted after that time. Tags will be furnished by the management so the exhibitor number, class, etc. is entered. Exhibitors will be careful to attach these tags upon or near the articles so that the judges will have no difficulty in finding them.

All Community building exhibits will be released from 9:00 am to 2:00 pm on Sunday, August 28th. Please be prompt in picking up exhibits. Positively no exhibits will be released on Saturday. Registration sheets must be presented for exhibits to be released.

- Open Class exhibitors must be at least 6 years of age by January 1, 2022.
- Pre-registration is encouraged
- No animal stock will be allowed to leave the grounds unless special arrangements have been made with the Fair Manager.
- When space has been awarded to any exhibitor the Board reserves the right in case any such exhibitor shall fail to make or maintain a creditable display, to declare the space allotted to him or any portion thereof forfeited.
- No person shall be allowed to act as judge of any class in which he or she is a competitor and no premium will be paid to anyone in any way trying to influence the decision of the judges. Do not place name of owner or advertising of any kind on exhibits prior to their having been judged.
- No for sale signs will be allowed on entries at the fair, private treaty sales of animals must be handled by the appropriate barn superintendent.

All entries must be made and shown in the name of the owner or joint owners, or actual grower, producers, inventors or manufacturers, except where the article is a portion of an entry made by an organized group of which they are a member or disqualification may occur.

Groups must enter group projects only, not individual projects.

All exhibitors must keep their stalls and surroundings in a neat and healthful condition the entire week. When animals are brought out for exhibition or examination, it will be expected that the person in charge will be presentable and courteous.

Every article or animal upon the fairgrounds will be under control of the Fair Board. The fair will have a watchman on duty both day and night. While the fair provides this precautionary measure for the protection of all exhibits and articles brought upon the grounds, it will not be responsible for loss or injury to articles or animals on exhibition (or on the fairgrounds) and upon which conditions all entries are accepted.

Early removal of any exhibit shall cause forfeiture of entire fair premium check and suspension from participation in the fair for the following year or community service as deemed by a committee appointed by the Fair President.

No Charge for Exhibit Entries

No charge will be made to enter articles or animals to compete for premiums at the Emmet-Charlevoix County Fair except Open class horse and pulling contests.

No free passes will be given to anyone. Persons wishing to pass in and out of the grounds at will can purchase a weekly pass. THESE PASSES ARE NOT TRANSFERABLE.

Questions? All 4-H related questions may be directed to your County Extension Office. (Emmet County: 348-1770, Charlevoix County: 582-6232). All open class or general fair questions need to be directed to the Fair Manager at 347-1010.

Judging of Exhibits

Judges in the various departments have been given authority to decide, where there is but one exhibit in any class or department, whether the exhibitor is entitled to prize money or a special ribbon. No person shall be appointed as judge or allowed to act where he or any member of his/her family is an exhibitor. No person shall be permitted to interfere with the judging committee while performing their duty of examination. In case of doubt as to their power, the committee may refer to the Superintendent in charge of the division, who if necessary will lay the matter before the executive officers. The placement in any class is up to the judge's discretion, and ***the judge's decision is final.***
